## StarNet Wireless Adds Citadel Interactive to Advertising Campaign

Bay City, Michigan (March 31, 2007) – StarNet Wireless has approved an addition to its statewide radio marketing campaign today. The company has added a new product released by Citadel Broadcasting called Interactive or Right Now Radio. This is a web based radio system that gives people the opportunity to listen to their local radio station over the internet. These radio stations can be accessed through [www.citadelinteractive.com](http://www.citadelinteractive.com). StarNet Wireless will be advertising on the following stations which include the Saginaw, Flint, Lansing, and Grand Rapids radio markets.

### Saginaw:

### Flint:

### Lansing:

### Grand Rapids:
